

GROUP MASTER APPLICATION COMPENSATION DISCLOSURE INSERT

Your insurance or benefits advisor can offer you advice and guidance as you select the policy and provider most appropriate for your needs. At Unum we recognize the important role these professionals play in the sale of our products and services and offer them a variety of compensation programs. Your advisor can provide you with information about these programs as well as those available from other providers. We support disclosure of broker compensation so that customers can make an informed buying decision.

Brokers may be eligible to receive Base Commissions as well as Supplemental Commissions from Unum.

Unless you have agreed in writing to compensate the broker differently, Unum provides Base Commissions to all brokers in connection with the sale of an insurance policy. Base Commissions are a fixed percentage of the policy premium, and may include a one time, first year, flat amount for each policy sold. Base Commissions are paid by Unum to the broker(s) on your policy. In some circumstances, broker(s) may be eligible to receive commissions on your policy even after a broker of record change has occurred.

A broker may also qualify for Supplemental Commissions paid by Unum. For group insurance products, Supplemental Commissions may be paid as a fixed percentage of total eligible group insurance premiums. The Supplemental Commission rate depends on the total dollar amount of all eligible premiums or number of group policies that the broker had in force with Unum in the prior calendar year. The Supplemental Commission rate may range from 0% to 13.80% of total premiums paid.

Supplemental Commissions may be calculated differently for other insurance products. The premium you pay is not impacted whether or not your broker receives Supplemental Commissions.

If you would like additional information about the range of compensation programs our company offers for your group insurance policy or any other Unum insurance product, you can find more details at www.unum.com.
